

# Chinese New Year Story

The animals are having a race! Look at the numbers on the picture.  
You can use the story of Chinese New Year to help you. Write the numbers in the boxes.

# Story – Number Sequencing

Picture cards and stick them into the correct order across the river.  
1. Which animal was the first one to reach the Emperor?

A row of six empty rounded rectangular boxes with dashed blue borders, intended for pasting picture cards. The boxes are arranged horizontally across the middle of the page, above a blue river area.
