<p>Starting with a story....</p> <p>Watch the video in Tapestry of the story of Goldilocks and the Three Bears uploaded on Monday.</p> <p>It can also be found on the World Book Day website here:</p> <p>https://www.worldbookday.com/videos/goldilocks/</p>	<p>Sequencing and retelling the story focus activity - Monday Tapestry activities</p> <p>Retelling a story in the right order is a really important reading skills and helps us to understand a story.</p> <p>Here are two activities that you can chose from to practise these skills (your child does not have to do both but they can if they / you want to and they can be spread over a couple of days!)</p> <ol style="list-style-type: none"> 1. Use the story sequencing activity resources from the website (also in printed packs) to cut out the pictures and sequence the story. Use your story map to retell the story. 2. Create and use your own puppets of the three bears and Goldilocks to retell the story. Draw, cut out and make your own puppets or you may have three different size teddy bears and a doll at home that you can use to retell the story. Remember to use the different voices for each bear character and the words from the story. 	
<p>Writing focus activity – Tuesday Tapestry activity</p> <p>Write a speech bubble for one of the characters in the story. For a challenge you could write a speech bubble for each character.</p> <p>Have a go at using your phonics to write, segment the words carefully and write down the letters for the sounds you can hear. Remember to try and form your letters correctly.</p>	<p>Maths focus activity – Wednesday Tapestry activity</p> <p>The three bears are three different sizes and have different size bowls, chairs and beds. You could try sorting different objects in your house to match your family or three different sized soft toys/bears if you have them - who will have the biggest / middle size and smallest?</p> <p>There is also a cut and stick activity on the website and included in the printed packs.</p>	<p>Cooking!</p> <p>Make your own porridge this week. Follow the instructions in Tapestry uploaded on Monday or use your own recipe.</p> <p>What topping will you add? How can you make your porridge extra healthy?</p> <p>Make sure it is 'just right!' Not too hot or cold!</p>
