

Nunnery Wood Primary School

Tuesday 23rd February 2021

Dear Parents and Carers

Re: Full Reopening of School to all Pupils 8th March 2021

Thank you once again for all your support through this most unprecedented and challenging time. You will be aware from last night's Government announcement that schools will be re-opening to all pupils on 8th March. This is the first stage of the easing of lockdown restrictions, which is fantastic news. We are all eager to see all the children back into school.

Since the beginning of term we have been open to support our keyworker and vulnerable children. With the government announcement last night we will be reopening for all pupils in a fortnight's time.

Over the next couple of days we will review the school's risk assessment and update it to reflect any further changes, following the guidance from DFE regarding re-opening schools. We will share this with you as swiftly as we can. The timescale is down to how soon we have access to any new guidance.

However, I already know the key priority of our risk assessment will be to continue to lower the risk of transition, and ensure that precautions are in place to support the whole school community. Retaining bubbles, and ensuring no large gatherings of children and parents will be once again the foundation of our risk assessment. This will continue to be challenging for many of us but everyone must take responsibility for their own actions and follow the measures that we put in place to support the children and the staff. We will all have to make sacrifices to ensure that the school can re-open as safely as possible.

I trust that you will continue to work with us and follow any safety procedures/measures we have in place, so that the school can function effectively within covid secure measures. The health and safety of all of our community is our key priority. Please continue you to monitor your 'ParentPay' account as we will release information about opening as swiftly as we can.

Thank you for your patience.

Kind regards,

Mr Higgins and the NWPS team
