End of the day routines

May I respectfully remind all parents and adults who are collecting children at the end of the day that:

- Children must remain with the adult who has collected them from class whilst on school grounds.
- Children should not be running across the field and/or going under the orange rope that is protecting the newly planted trees.
- All adults should be maintaining social distance.

- Parents and children should arrive at South Gate together after collection from class, and leave the site together. Currently we have too many adults waiting for their children inside the gate as their child(ren) has/have run off, so please keep your child with you at all times.

All these measures are in place to support all of our school community. It is essential that these measures are maintained, to make the site as Covid Secure as possible. We all have the responsibility to lower the rate of transmission and support our NHS, as well as vulnerable members of our school community. Please remember all household family members need to isolate from the first day Covid symptoms develop, until a negative test result is received back.

Finally, it feels as if spring is well and truly here! I am hopeful over the next couple of weeks we will all have some warm weather to enable us to spend more time outside with our families over the Easter Break.

School will close at 3.30pm on Thursday 1st April, and reopens at 8.35am on Monday 19th April.

Take care.

Best Wishes,

Mrs Higgins and The NWPS Team.
