

Monday 6th December 2021

As you are all aware Mrs. Susie Cottrill is currently battling breast cancer. Susie is in regular contact with us, and her positivity and determination are an inspiration to us all. Susie continues to draw strength from the support she is receiving from her family, friends and colleagues. The care and treatment she is receiving from the local breast unit is amazing. Susie is determined to return to school by the end of the academic year.

In conjunction with Susie's brother, as a school we are currently planning an event in February 2022, to raise funds for Worcestershire Breast Unit Haven. To support our fund-raising efforts, we will have pink buckets at each of our Christmas event for audiences to donate. Whatever amount you can afford to donate, will make a huge difference, no matter how small.

The Breast Unit Haven's own slogan is... 'Everybody Knows Somebody'.

Rich Long (Susie's brother) is going to create a large-scale painting with the theme of 'Strength, Growth, Change & Hope'. He will create this piece of art over a 24-hour continuous period. The aim is to raise as much as possible for this extremely worthwhile cause. All money raised will go to the Worcestershire Breast Unit Haven. Please see more information via the link below;

Thank you for continued support.
