End of Term Newsletter

Wednesday 20th July 2022

As the summer term comes to an end, we are able to reflect on all of the wonderful things that have happened throughout the year. We have been delighted to offer our full curriculum with less disruption. Children have enjoyed school visits again and we have enjoyed welcoming parents and carers back into school to celebrate the children's learning and successes.

Tomorrow we will complete the celebrations with our Year 6 parents at the Leavers Assembly at 9am in the hall.

NEW SCHOOL BARRIER

As you are aware we are expecting a barrier system to be installed ready for our return to school in September. Throughout this academic year certain parents/carers/children have been given vehicle access to the front driveway due to their disability.

All parents will continue to have access through the main front entrance, but you will have to walk down the drive. However, for a few children they will still require access in a car due to their disability or their parent/carer's disability.

If you need access to the front entrance via the barrier **by car** in September, you **must** display a Blue Badge relating to the disability of the child or the parent/carer.

We are informing parents/carers now to provide adequate time to make appropriate arrangements for the beginning of next term.

Please remember that if you are the blue badge holder and make alternative arrangements for a different adult to collect your child they will be required to use other entrances/exits (unless they are Blue Badge Holders themselves). If your child is the blue badge holder, they will be able to continue to have access via the barrier.

There will be no access by car for those children arriving late to school. All parents/carers will have to walk their child down the drive.

ARBOR

Thank you to all those parents who have logged into their Arbor account. Please ensure you have activated your account before the start of the new term in September to continue to receive updates and information. We understand there have been some issues with setting up. Please let the Office know via email if you are struggling but please also bear in mind the office will be closed over the summer holidays so will not be dealt with until the term restarts.
