

Oak & Willow Classes

Look & Learn Together Sessions

We are really looking forward to our first 'Look & Learn Together' session on Thursday 8.45 - 9.15 a.m. Below is some information about the sessions and how we are organising them which we hope will be helpful for you.

If you are staying for our new Look & Learn Together sessions please:

- Let your child come in on their own whilst you sign yourself and any younger children in. Miss Cother & Miss Higgs will have signing in sheets in our covered area outside.
- Join in with your child wherever they are playing/working. Activities out on the tables will link to the weekly focus and we have attached additional information on a separate sheet which we hope will give you ideas to use at home.
- Feel free to ask us questions about the activities but do remember that this is not an opportunity to discuss your child's progress or any concerns you may have. Please catch us at another time or make an appointment to do this if you need to.
- Let younger brothers and sisters play but please remember that you need to keep an eye on them. We are set up for school age children and there are small things in the classrooms! If you have a pram or pushchair please leave it outside under our cover unless there is a sleeping child in it of course!
- At 9.15 a.m. we will ring our bells for tidy up time. This will be the end of the session and one of us will take you all through school to the front entrance together.

Finally, enjoy yourselves and get involved; the children are so excited about showing you what we do and what they can do.

Thank you for your support

Miss Emma Cother & Miss Ellie Higgs
