

Newsletter Autumn 3

27th October 2023

Dear Parent/Carers,

Wow! Another busy half-term.

I would like to take this opportunity to thank the children for being such superstars this half-term. It was an aspired choice by the School Council to have pyjama day today as it has been a long one! I hope the children and their families as well as the staff all have a good break and rest.

WORKING TOGETHER

Thank you to everyone who attended their child's parents evening and completed a school questionnaire. We will share with you our findings next term.

It was wonderful to see so many parents at our Friday celebration assemblies. Feedback on the questionnaires highlight how you like the opportunity to come into school. The staff and I enjoy sharing with you the children's achievements and acknowledging those children who have demonstrated the school values.

Reminder: Open morning is Friday 10th November 8.50am- 10.15am. Please come and see us at work. If you are intending to visit Oak and Willow you might need to bring your wellies along as they are hoping, as usual, to be in Forest School. Entrance is via the main entrance.

FSM Vouchers

If your child(ren) is in receipt of free school meals (Years R-6) the you will receive an email from Edenred on Monday 30th October with your food voucher for this half term holiday.

MEDICINES IN SCHOOL

We have recently received further guidance and reviewed our policy of Medicines in Schools.

Schools can only administer prescription medicines to a child when they have been prescribed by a doctor, dentist, nurse or pharmacist.

All medication must only be administered to a child under the age of 16 where written permission for that particular medicine has been obtained from the child's parent or carer.

Headteacher: Mrs Rachel Higgins

Nunnery Wood Primary School

Written permission by the parent/carer must clearly state what time and the dosage. It is the responsibility of parent/carer that the medication is handed into school via the office and collected at the end of the school day via the office. Obviously, children should only be in school if they are well enough to do so which is likely to be at the end of the course of medication.

Enjoy your half-term and thank you for your continued support.

School reopens at 8.30am Monday 6th November.
