Tuesday 21<sup>st</sup> October 2025

Dear Parents, Carers and Families,

As we reach the end of this half-term, we want to take a moment to reflect on a wonderful start to the school year. It has been a busy and exciting term.

Thank you to Key Stage 1 children and to all our parents for their generous donations for MAGGS. Your contributions were collected on Friday and will make a big impact on families in need.

### ATTENDANCE

We are pleased to report that an attendance rate is nearly 95%, which is an improving achievement. Regular attendance is vital for both academic success and social interaction, so let's continue to work together to maintain and improve this positive picture.

### ONLINE SAFETY

Safeguarding remains a top priority, and we are committed to ensuring that every child feels safe both in and out of school. During half-term we remind all parents/carers to consider your child's online safety.

With that in mind, we'd like to offer three top tips for keeping your children safe online:

1. Ensure privacy settings are activated on devices and apps.
2. Regularly monitor the apps, games, and websites your children use – with clear age restrictions.
3. Encourage open conversations about online experiences, ensuring they know they can come to you with concerns.

### Edenred Portal Access for October half term 2025 FSM Vouchers

FSM eligible pupils will receive £15 per child in vouchers for the upcoming half term holiday. Vouchers will be available on the portal on Monday 27<sup>th</sup> October. Vouchers will expire one-month after they have been issued.

The portal access closes on Friday 7th November 2025

## **YOUR SCHOOL NEEDS YOU! 'ASPIRE TO BE' ASSEMBLIES:**

A big thank you to the parents who have supported us by leading an 'Aspire to be' assembly last year. The children have enjoyed finding out about becoming a plumber and a design technician to name a few.

We want to continue to inspire children by inviting parents in to share what they did to become a dentist, for example, what subjects they enjoyed, which qualifications are required and what it is like to be a dentist. We know amongst our school community we have plumbers, doctors, scientists, taxi drivers, hairdressers, beauticians, gardeners, carers, nurses, computer analysts, retail assistants.... the list is endless.

If you are interested in supporting us and are willing to talk to the children, please contact the school office. The assembly will last no longer than 20 minutes and either myself or Mrs Wheeler will help facilitate the assembly. We are flexible with days – Monday, Tuesday or Wednesday, as we appreciate parents have work commitments.

Please contact a member of our school team if you are willing to help us.

We look forward to hearing from you.
