Congratulations to Year 5! Well done to all the children in Year 5 who adapted incredibly well to the change of venue for the Carol Service on Tuesday. You showed great resilience and teamwork.

Water bottles

We are a healthy school and encourage children to drink water throughout the day. The recommended size for primary-aged children is approximately 500ml. Bottles can be refilled during the day. After Christmas, please continue to support us by ensuring your child has an appropriately sized and shaped bottle, as oversized bottles cause storage difficulties and spillages.
