Tuesday 10<sup>th</sup> February 2026

Dear Parents and Carers,

As we reach the end of another busy half term, the children have worked incredibly hard, shown great resilience, and taken part in a wide range of learning experiences.

This half term, pupils have impressed us with their enthusiasm and progress across all subjects – from creative writing and problem-solving in maths, to hands-on science investigations, art activities, and thoughtful discussions in lessons. My office door is now covered in the children's fantastic work!

### Celebrating Our Pupils

A big well done to all pupils who received certificates, awards, or special mentions this half term. Your effort, attitude, and kindness do not go unnoticed.
