

South Worcester Schools' Sports Cluster

Spring Term Report 2018

Introduction

Spring Term brought us a huge array of sporting opportunities for children in our Cluster schools. Pupils from all schools have been busy participating in a wide range of sports. We saw excellent standards of sporting ability across Indoor athletics and Cross country- leading to some pupils qualifying to represent their county and even compete at a National Level. Just as important however, has been the participation of so many pupils in the qualifying stages, held at individual schools. It is brilliant to know that so much sport is being made available to our pupils. Thanks to all the staff in the Cluster for their hard work to make this happen!

Pupil Opportunities

Early February was the School Games Year 4 Quicksticks competition. It was certainly a tough competition but the children involved thoroughly enjoyed the experience- especially playing under the flood lights at Blessed Edwards!

Cross Country kept us all very busy this term, we had a Year 3/4 event at Cherry Orchard, there are definitely some future running stars within that cohort! We were extremely lucky to have the support of helpers from Blessed Edwards, a huge thanks to all of them! Following this, Year 5/6 pupils were invited to attend the 'Droitwich and Worcester City' event, which took place at the very muddy (and rainy) RGS. Several pupils from our schools qualified for the School Games County finals which were then held at Wolverley CE Secondary School. From this, a pupil from Cherry Orchard qualified and went on to complete at the National Finals! What an achievement!

Following qualification at the Sportshall Athletics event, Cherry Orchard Boys Indoor Athletics Team attended The Winter School Games. They came away with bronze medals- huge congratulations to them all!

This year saw the introduction of a new cluster event! Perry Wood hosted a Year 3/4 Football Competition. It was an action packed event with the Year 3/4's

showing, both, excellent sportsmanship and gamesmanship! A huge thank you to all those who refereed! And a big congratulations to Nunnery Wood, who were our winners!

Our annual Year 3 Tag Rugby event was hosted by Red Hill this year- we had surprisingly great weather and a fantastic afternoon of sport. Our hosts, Red Hill, came 1st, followed closely by Nunnery Wood, who secured 2nd place! Well done to everyone who participated.

This year saw a slight change to our Cluster Netball tournament. Our event was kindly hosted by Nunnery Wood High School. They provided courts, staff and umpires! A huge thank you to them. We hope to continue this partnership next year. Throughout the tournament there were some great matches and lots of smiling faces. Well done to the Nunnery Wood team who finished in first place.

Sports Society

Our Sports Society representatives have been very busy planning an exciting event for July to give an opportunity to pupils who don't get to represent their schools in sport. Watch this space for a Summer Term report to see how it went!

Dates for Summer Term 2019

- 3rd May School Games Swimming Gala
- 8th May School Games Yr. 4 Cricket
- 9th May Yr. 4 Tri Golf @ Nunnery Wood
